

## Pallet Trucks

# T16 – T20 P

Capacity 1.6 t - 2.0 t | Series 1155

### Flexible manoeuvrability at its best

- Agile pallet truck for loading, unloading and fast transport of goods
- Foldable operator platform for flexible use in pedestrian and operating mode
- Narrow chassis width (720 mm) for manoeuvrability in tight environments
- Powerful motor for fast empty runs at up to 8.5 km/h
- Modern E/E architecture for fleet management integration and remote diagnosis

T16 P

# CHARACTERISTICS

Robust foldable sideguards

## Safety

- Robust foldable sideguards for optimal protection against injuries
- Linde Curve Assist for maximum safety when cornering
- Four independent braking systems for the best possible protection in every situation
- Load backrest to prevent the load from sliding back (optional)
- Linde BlueSpot® for visual warning in busy environments (optional)

Electrical steering for effortless vehicle control

## Ergonomics

- Cushioned operator platform to protect against vibrations and shocks
- Electric power steering for effortless vehicle control
- Steering angle of 65° to facilitate operation
- Ideally positioned controls for effortless operation with either hand
- Multi-function display for overview of all important information

Foldable damped platform

## Handling

- Creep speed enables precise, convenient load handling
- Effortless folding up and down of the platform
- Powerful motor for fast transport travel
- Sprung auto-adjustable castor wheels as standard for constant traction and stability to the ground
- New generation of Li-ION batteries for maximum energy efficiency
- Onboard charger for both Li-ION and lead acid batteries (optional)

Easy access to all relevant components

## Service

- Maintenance-free drive motor for permanently low service costs
- Solid construction for maximum vehicle availability
- Service-friendly design for speedy maintenance
- Quick problem diagnosis via laptop
- Modern E/E structure for a wide range of digital functions

Subject to modification in the interest of progress. Illustrations and technical details could include options and are not binding for actual constructions. All dimensions subject to usual tolerances.
